Kevin,

Attached is the debris management plan we developed for the Joplin Tornado Debris Mission. I've included a couple of the supporting documents that you might find helpful, couple of them are USACE and FEMA SOPs. If you have any questions or requests that you think might be helpful to the response please direct through or include EPA Hayes and Delgado.

David

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments

sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
